#### EVENT INFO

Woodland Park Zoo is seeking input from Deaf and hard of hearing people in the community to improve our accessibility and inclusion in all our events and programming, particularly in our volunteer program. People who are Deaf or hard of hearing are invited to attend one of our two focus groups to share their experiences, opinions, current perceptions and suggestions. **This focus group will be interpreted in American Sign Language.**

#### YOU CAN HELP

Sharing your experiences and ideas with the zoo can help us make the zoo a better place for people in the Deaf community to visit, volunteer, or work.

All participants will be granted free zoo entrance after the focus group discussion, as well as an additional zoo ticket to use at a later date.
